

ANNUAL GENERAL MEETING - 2010

Rapiers lined up in 2003 - Look for those tall buildings when you arrive

The SROC AGM is to be staged at the

NATIONAL WATERWAYS MUSEUM at GLOUCESTER DOCKS,

the location that we enjoyed in 2003. However, much work has been done at the museum so it should be a rewarding repeat visit.

The meeting begins at
**11 am on the 18th April in the
'CORY ROOM'**

Those arriving with Rapiers are advised to park them in the designated area. A course judging will take place there and a trophy presented to the car that in the opinion of the judges is the 'best in show', so get those polishing rags going. The meeting is expected to finish early in the afternoon, allowing plenty of time to take in the attractions of the Waterways Museum itself.

A restaurant is available for members during the lunch break and there is no need on this occasion to make an advance booking.

You will find in this magazine the voting form for the Gerry Spencer Trophy. This is the highly prestigious award presented to the person who in the opinion of the whole membership to have contributed the greatest to the activities of the Club, and it doesn't have to be a Committee member. Don't forget to return these slips to Ron Atherton or bring them to the meeting.

You may remember from last year's AGM that the Wildlife Park at Burford was the preferred location. Unfortunately they have priced themselves way beyond our budget, hence the change of venue. We hope that you enjoy our visit to the Docks just as much.

Ron Atherton (General Secretary)

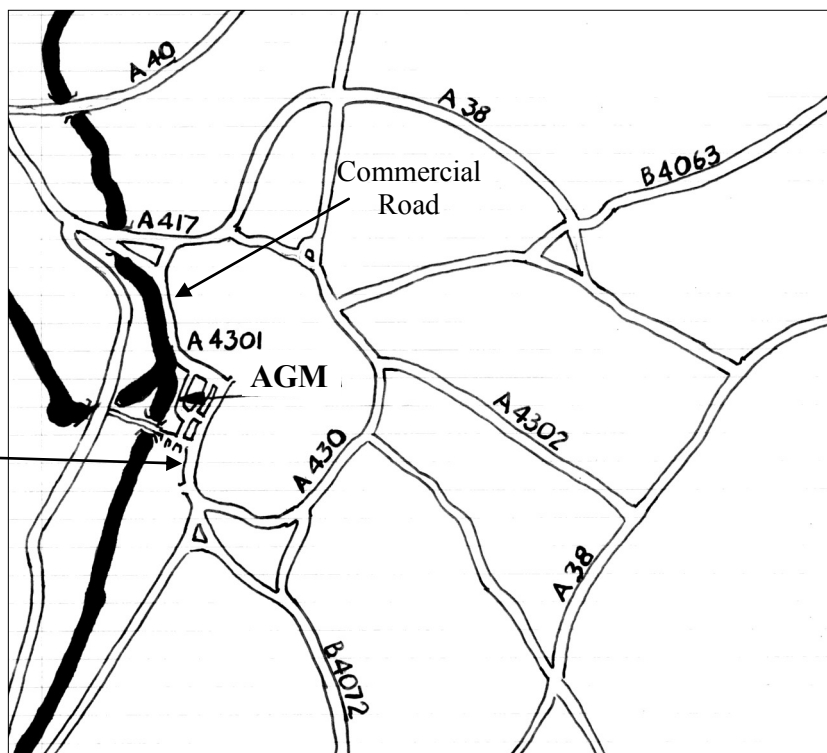

CONSTITUTION AMENDMENT PROPOSAL

Rule 18 of the Constitution states that the AGM is to be held in the month of APRIL each year. It is proposed to delete this requirement in order to give greater flexibility to the Organising Committee. However, every effort should be made to set the event during the Spring of each year.

This is a rough map of central Gloucester. The dark line is the River Severn and the docks are located as shown.

Gloucester is easily accessible from The M5 for those approaching from the West country, Midlands or the North, and via the A40 from the South-east or from Wales

Nominations are invited for any of the positions shown on the inside front cover of the magazine, with particular emphasis on those listed as vacant. Note the 4th April deadline, but if none received before then nominations will be accepted at the meeting.
