

Sunbeam Rapier Owners Club
Annual General Meeting

18th April 2010

Your Committee is formed at the AGM each year and the nominations for any of the positions shown on the inside front cover of 'Cut & Thrust' are invited. Don't be shy - just fill in the form on the right and return it to Ron Atherton. You have until the 4th April to get your nomination in. If any posts remain without proposals, nominations will be accepted at the meeting. Election of officers will be by a show of hands and only paid up members are entitled to vote. (Two votes for family members provided that they are both present.) There is a particular need for a new Events Co-ordinator and Editor for Cut & Thrust, so please let Ron know if you can join our happy band in either of those capacities.

The Gerry Spencer Challenge Trophy is awarded annually to the member or members whose efforts during the previous year are considered (decided by a ballot of the entire membership) to merit recognition. The ballot slips for this are printed below. If you will not be attending the AGM please ensure that you register your vote by returning it to Ron Atherton in time for the meeting, otherwise bring it with you.
